

Best Wishes for the Holidays  
and the New Year!

Season's

Greetings!

2006 was a busy year. In April Sheri & Eben finally got to go on their honeymoon, with a trip to Singapore (a small country/very big shopping mall) and Sulawesi, Indonesia (a nice people & lots of pretty fish, like those shown above). In July, all but Patty went to France to see Eben's mom and the beautiful Perigord country—side, and then proceeded to New Brunswick, Canada, Sheri's ancestral home.

Eben continues to do research at IBM, Sheri battles evil insurance companies for the Let Them Hear Foundation, Melissa's in college in San Francisco, Patty's in 10th grade, and Talia is in preschool and is looking forward to Kindergarten. Please write or visit if you're in the area!
